KRISTINA RYABOY

Aspiring UX Designer | User Research & Workflow Optimization
Human-Centered Systems | Accessibility | Cross-Functional Collaboration
Weymouth, MA | 857-526-6857 | KristinaRyaboy13@gmail.com |Kristina Ryaboy | LinkedIn

Professional Summary

User-focused systems professional with 10+ years of experience identifying friction points in enterprise applications and improving workflows through documentation, training, and cross-functional collaboration. Recently completed the Google UX Design Professional Certificate, gaining hands-on experience in user research, wireframing, prototyping, and usability testing. Passionate about designing intuitive, accessible experiences that reduce friction and improve real-world outcomes.

Professional Experience

• GRANITE TELECOMMUNICATIONS – QUINCY, MA

Senior IT Applications Support Analyst | JAN 2016 – OCT 2025 (Position Eliminated / Role Ended)

- Managed 70–100 concurrent support requests, gaining deep insight into user pain points across internal enterprise applications.
- Identified recurring backend defect impacting customer billing access; collaborated cross-functionally to resolve root cause and restore usability.
- Reduced escalation rates by analyzing ticket trends and proactively addressing recurring workflow breakdowns.
- Developed clear documentation and training materials to improve system adoption and reduce user confusion.
- Facilitated weekly stakeholder meetings for high-priority initiatives, translating technical issues into user-impact language.

Voice Services Project Coordinator | NOV 2014 – JAN 2016

- Managed projects through completion, ensuring accuracy and timely delivery.
- Trained and mentored team members to support professional development.
- Oversaw account management to ensure consistent excellence across touchpoints.

Senior Support Team Analyst | SEP 2007 – APR 2013

- Led a support team, overseeing escalations and high-priority issues.
- Trained and mentored peers to enhance team performance and foster development.
- Managed accounts and ensured service quality across touchpoints.

• BLUE CROSS BLUE SHIELD OF MASSACHUSETTS – BOSTON, MA
Member Service Associate | FEB 2014 – NOV 2014

- Guided members through complex digital tools, identifying usability challenges and improving navigation clarity.
- Balanced policy compliance with user experience considerations when resolving account issues.
